Dearly beloved in Christ  
Greetings

After a vacation the children are set to go to school/universities. Education is an important aspect of life. Education gives knowledge. Knowledge will help us to tower heights. Knowledge gives us wisdom. Those who are wise will be a blessing for the society. It is the wise that has built the society and the intellectual rules and ruins the society. Dr. David Livingstone is an example of a wise person whose knowledge helped the innocents in the African continent. Praying that the new academic year is a blessing for our children that they may learn and be wise for the service of the Almighty.

The devastating flood in Pakistan has brought misery to the people. It is our Christian duty to help those in misery. We are safe to be a support to those who are in trouble. Please donate for this cause as early as possible I request everybody to honestly contribute for this purpose.

We have happy news this month. Our church has been registered as the charity. The efforts of Dr. Suku who corresponded with the charity and Mr. Manoj who helped him in getting all the documents from the

committee members is worth mentioning. The prayer and cooperation of the committee members are also appreciable. God has given us a greater responsibility towards the society and the church. We have to work together to achieve the mission together.

The expenses are increasing, our monthly parish expenses are also on the rise. It is our responsibility to contribute to the needs of the parish. In spite of my repeated requests only a few have raised their monthly subscription. Unless everyone takes the responsibility to increase it will be difficult to manage the expenses. I am sure you will understand the situation and raise your monthly contributions.

Since we are registered as a charity the trustees will forward a gift aid form. Please do sign it and send it to them as early as possible.

Our children are busy with the new academic school. Let us pray to God to give them the true wisdom through the knowledge they attain.

Praying to God for all his blessings  
With regards  
Sincerely yours  
Rev. Varghese Mathew
