Dearly beloved in Christ,

Greetings to you,

William was an architect, who worked for a large Corporation for many years. One day he was called in by the Board of Directors and given plans for a model house to be built in the most exclusive residential section of the city. The Chairman instructed him to spare no expenses, to use the finest materials and the best labourers available. As the work progressed, the architect began to think, no one will ever know what goes into the unseen parts. Why hire such expensive labourers? Why use such costly materials? He began to substitute inferior materials, to hire inferior labourers, pocketing the difference. Finally, the house was finished. The Chairman of the Board held a reception to celebrate its completion. After making a lengthy speech, he amazed the architect by presenting him with the keys to the house: **"we give you this house"**, he said **"as a token of the high esteem we have for your many years of splendid and faithful service"**. "For what things a man shall sow, those also shall he reap" [Gal. 6:8]. **Your Father, Who sees what is done in secret, will reward you.**

As a nation we are about to decide the future leaders. This is the time for us use our rights to exercise our franchise responsibly. God has given us a responsibility to choose the right person, who will lead the country and the world. We need not be

pulled away by our own interests; rather, we have to look into the wider interest of the larger community. Pray to the God Almighty to work in the hearts of the people to vote the right person.

By Gods Grace and your earnest prayers I passed my driving test in the first attempt. It will surely help me more in my ministry in this place.

Our senior bishops are getting physically weak pray for their health. We are also fortunate that our community is growing in this land. Two Achens are on transfer. And three of them are joining us in the ministry of our church in this land. Pray that their ministry will be a blessing for the whole community.

With prayers and regards,

Sincerely yours

Varghese Mathew Achen
